Executive Summary

This report is required by Business and Professions Code Section 312.1, effective January 1, 2015. Business and Professions Code Section 312.1 directs the Office of Administrative Hearings (OAH) to provide specified case-related data yearly to the governor, the Legislature and the Department of Consumer Affairs (DCA), commencing January 1, 2016. This is the sixth annual report and it contains data for the 2019-20 fiscal year.

Measures Reported

Business and Professions Code Section 312.1 requires OAH to provide the following case-related data for the previous fiscal year:

- A.) Number of cases referred by each constituent entity to each office of OAH for a hearing.
- B.) Average number of days from receiving a request to setting a hearing date at each office of OAH.
- C.) Average number of days from setting a hearing to conducting the hearing.

D.) Average number of days after conducting a hearing to transmitting the proposed decision by each office of OAH.

Analysis

Along with the required data, this report also contains a summary of three fiscal years and a comparison to the last fiscal year's report. This comparison data assists in identifying areas where improvement has been made and areas where additional improvement is needed.

For fiscal year 2019-20, DCA filings with OAH were reduced 8% from the previous year. Average case-setting times increased by 33% (which is an increase of one day) over the previous year. The average time from setting a hearing to conducting the hearing increased slightly (2%) over the previous year. There was also a slight increase of 4% in the average number of days from a matter being submitted for decision to the date of decision issuance (23 days), although this number continues to remain well below the target of 30 days.
